Red Oak High School	50.32%	704
Education Service Center	2.93%	41
Support Services (Maintenance, Transportation)	3.00%	42
TOTAL		2271

Q3: We are building an immediate plan to address overcrowding at the middle school which includes seven more classrooms in the CTE building, as we will move high school career tech classes to both TSTC and the high school. We are also working on portables for middle school and elementary spaces. Some items from the bond are being added to a five-year plan from capital projects funds including elementary playgrounds, energy management, tennis court resurfacing, high school flooring, and some stadium ADA compliance already has been completed. In reviewing the remaining items, please rank the following items below by your priority.
